2. The Credit Card contract

When the account is first used (for example, when a card is first used, a balance transfer is made or a payment is made to the account, you will be accepting our offer and be bound by the contract.

3. Account Activation and Card Security

- 3.1 All cards issued remain our property and must be returned or destroyed if we ask you to do so.
- 3.2 A card can only be used if the account to which it relates has been activated and the card has been signed by the cardholder. A card is only valid for the period printed on it. It cannot be used before its commencement date or after its expiry date.
- 3.3 The account is a single account for all cards which may be issued under the contract.
- 3.4 The account will be activated when you do one of the following:
 - (a) Telephone us to activate the account
 - (b) give us your written instruction to activate the account.
- 3.5 You must sign the card as soon as you receive it and before you use it. You must also ensure that each additional cardholder signs his or her card as soon as it is received and before it is used.
- 3.6 Subject to these conditions, you are liable for all charges on the account including charges incurred by an additional cardholder. You must ensure that all cards are used in accordance with these conditions.
- 3.7 You or an additional cardholder must notify us immediately on becoming aware that a card is lost, stolen or used without your authority, or that a PIN has become known to someone else (or you suspect that it has become known to someone else) by:
 - (a) telephoning the Card Service Centre 24 hour toll free hotline in Australia on the numbers listed below; or
 - (b) advising any financial institution that displays the Visa logo

If the loss, theft or misuse occurs OUTSIDE Australia you or an additional cardholder must notify an organisation displaying the VISA sign and also then confirm the loss, theft or misuse of the card or breach of PIN security:

- (i) with us by telephone or priority paid mail as soon as possible; or
- (ii) by telephoning the VISA INTERNATIONAL CARD HOTLINE number for the country the cardholder is in, which must be obtained from us prior to departure (see Clause 15).

We will acknowledge the notification by giving a reference number that verifies the date and time we were contacted. Please retain this number as evidence of the time of contacting us. If for any reason the hotline is unavailable and this prevents notification, you will not be liable for any unauthorised transaction during this period which could have been prevented had the hotline been available, provided we are notified within a reasonable time of the hotline becoming available again.

Delay in notifying us may increase your liability.

- 3.8 If a card is used (in cases not involving EFT transactions) without the authority of a cardholder, you are liable for that use before we are advised of it, up to the credit limit less any amount recovered by us by exercising our rights (if any) under the operating rules applicable to the Visa credit card scheme against other parties to that scheme.
- 3.9 You are liable for all losses caused by unauthorised EFT transactions unless any of the circumstances specified in clause 3.10 below apply.
- 3.10 (a) You are not liable for losses:
- (i) where it is clear that a cardholder has not contributed to the loss;
 - (ii) that are caused by the fraudulent or negligent conduct of employees or agents of:
 - us;
 - any organisation involved in the provision of networking arrangements; or
 - any merchant;
 - (iii) that are caused by the same transaction being incorrectly debited more than once to the same account;
 - (iv) relating to a forged, faulty, expired or cancelled card or PIN;
 - (v) that would exceed the amount of your liability to us had we exercised our rights (if any) under the VISA International Rules and Regulations against other parties to those rules and regulation; or
 - (vi) resulting from unauthorised use of the card or PIN:
 - in relation to an EFT transaction which does not require PIN authorisations, before receipt of the card;
 - in relation to an EFT transaction which requires PIN authorisation, before receipt of the PIN; or
 - in either case, after notification to us in accordance with these Conditions of Use that the card is being used without authority, that it has been lost or stolen, or that PIN security has been breached.
- (b) You will be liable for any loss of funds arising from any unauthorised EFT transaction using a card or PIN if the loss occurs before notification to us or the VISA Card Hotline that the card has been misused, lost or stolen or the PIN has become known to someone else and if we prove, on the balance of probabilities, that you or an additional cardholder contributed to the loss through:
- (i) fraud;
 - (ii) telling or showing a PIN to another person or allowing it to be seen by another person (including family and friends);
 - (iii) recording a PIN on a card or keeping a record of a PIN on anything which is kept with or near a card unless reasonable steps have been taken to carefully disguise the PIN or to prevent unauthorised access to that record;
 - (iv) when changing a PIN, selecting a PIN which represents your or the additional cardholder's birth date or a recognisable part of your or the additional cardholder's name;
 - (v) extreme carelessness in failing to protect the security of a PIN; or
 - (vi) unreasonably delaying in notifying us or the VISA Card Hotline of the misuse, loss or theft of the card or of a PIN becoming known to someone else and the loss occurs between the time you or an additional cardholder did, or reasonably should have, become aware of these matters and the time of notification to us or the VISA Card Hotline.
- However, you will not be liable for:
- the portion of the loss that exceeds any applicable daily or periodic transaction limits on your account;
 - the portion of the loss which exceeds the credit limit of the account; or

- all losses incurred on any account which you had not agreed with us could be accessed using the card and PIN.
- (c) Where a PIN was required to perform the unauthorised transaction and clause 3.10(b) does not apply, your liability for any loss of funds arising from an unauthorised transaction using the card, if the loss occurs before notification to us or the VISA Card Hotline that the card has been misused, lost or stolen or the PIN has become known to someone else, is the lesser of:
- (i) \$150;
 - (ii) the actual loss at the time of notification to us or the VISA Card Hotline of the misuse, loss or theft of the card, or of the PIN becoming known to someone else (except that portion of the loss that exceeds any daily or periodic transaction limits applicable to the use of your card or your account); or
 - (iii) the balance of your account.
- (d) Notwithstanding any of the above provisions, your liability in the event of an unauthorised EFT transaction will not exceed your liability under the provisions of the ePayments Code, where the code applies.
- 3.11 In all cases where you notify us of an unauthorised EFT transaction on an account, we will not hold you liable for losses that would exceed the amount of your liability had we exercised our rights (if any) under the operating rules applicable to the Visa credit card scheme against other parties to that scheme.
- 3.12 You will not be liable for any loss suffered because an EFT terminal accepted a cardholder's instructions but failed to complete the transaction. If an EFT terminal malfunctions and you should have been aware that the EFT terminal was unavailable for use or malfunctioning, we will only be responsible for correcting errors in the account and refunding any charges or fees imposed as a result.

4. Additional Cardholders

- 4.1 We may issue a card to any person you nominate, provided that person is over the age of 18 years and satisfies the identity verification requirements of the Anti-Money Laundering and counter Terrorism Financing Act.
- 4.2 All transaction effected or authorised by an additional cardholder will be treated as having been authorised by you and you will be responsible for them.
- 4.3 You must ensure that each additional cardholder receives a copy of the contract, reads and understands it and protects their card and PIN in the same way as the contract requires you to protect your card and PIN. If an additional cardholder does not comply with the contract, you will be liable to us.
- 4.4 You acknowledge and agree that any additional cardholder can:
- (a) operate the credit card account in the same way that you can (however, an additional cardholder cannot ask us to increase the credit limit or nominate another person to receive a card); and
 - (b) access financial information about the account including information relating to transactions, the account balance, the available credit amount and the minimum monthly payment.
- 4.5 You can at any time revoke the authority of an additional cardholder to operate the account by telling us in writing and by returning the additional card to us. We will then cancel the additional card. Until the card is returned to us, you will continue to be liable for all transactions effected by the additional cardholder.

5. Credit Limit

- 5.1 Your credit limit is set out in the Financial Table. You can ask us to increase the credit limit at any time but we are not required to agree. It will be increased only at your request or with your consent.
- 5.2 The credit limit is the maximum amount of credit you may obtain on the account. The account balance must not exceed the credit limit. Any amount in excess of the credit limit must be paid to us immediately.
- 5.3 We can reduce or cancel the credit limit at any time, whether or not you are in default under the contract and without prior notice to you. We will advise you if we do so.
- 5.4 We will debit transactions on the account against any positive (Cr) balance before reducing the available credit amount.
- 5.5 The credit limit does not change simply because we debit an amount to the account that causes the account balance to exceed the credit limit.

6. Codes of Practice

- 6.1 We warrant that we will comply with the requirements of the ePayments Code and the Banking Code of Practice, where those requirements apply to your dealings with us.
- 6.2 You may obtain general descriptive information about our products and services from us on request.

7. Using the Credit Card Account

- 7.1 The account must not be used for any unlawful purpose, including the purchase of goods or services prohibited by the laws of the jurisdiction of purchase.
- 7.2 The maximum daily ATM cash advance amount for the account is AUD\$1,000 or as we advise you from time to time.
- 7.3 Some merchants and financial institutions may impose a lower maximum and/or a minimum amount on EFT transactions.
- 7.4 Cash advances from ATMs will only be available upon entry of the correct PIN in conjunction with the use of the card.
- 7.5 You may request a balance transfer in accordance with clause 11 to follow.
- 7.6 You agree that we can debit the account with all transactions authorised by a cardholder. Transactions can be authorised by:
 - (a) using a card with your PIN, at any EFT terminal;
 - (b) presenting a card to a merchant and signing a voucher or other documentation acceptable to us authorising the transaction; or
 - (c) providing the card details to a merchant or to any other party to whom payment is to be made, either directly or via a third party, in a manner acceptable to us, for example, over the phone or online.
- 7.7 A transaction can be authorised for a particular amount or for particular goods or services. For example, if you hire a car, you may authorise a transaction for both the rental and any additional costs, such as the cost of any damage to the vehicle.
- 7.8 When a transaction is authorised by a cardholder:
 - (a) the cardholder is confirming the validity of the amount of the transaction, that is, the transaction correctly represents the purchase price of the goods or services obtained, or the amount of the cash advance;

- (b) you agree that we are providing you with credit equal to the amount of the transaction on the date on which the transaction is made; and
- (c) you agree to pay (in Australian dollars) the amount of that transaction.

8. Authorisation by Us

- 8.1 We may choose at any time not to authorise a transaction. We shall not be liable to you or anyone else for any loss or damage resulting from our refusal to do so and you indemnify us in respect of any such loss, except as otherwise provided by these conditions.
- 8.2 Once we authorise a transaction we will reduce the available credit amount. If the transaction is not completed, the available credit amount may not be reinstated for up to three business days after the authorisation is obtained.

9. Direct Debit and Other Standing Authorities

- 9.1 You can, at any time, authorise another person (a "debit user") pursuant to a "Direct Debit Request" or similar periodic authority to debit the account.
- 9.2 To cancel such an authority, you should notify that third party according to any arrangements between you and that third party. You may also notify us.
- 9.3 In some circumstances, if the account number changes, the account is closed, a card is lost, stolen, or cancelled, and you fail to provide alternative payment details (for example, your new account number) to the third party, we may stop processing the debit transactions, after giving notice to the third party, and this may cause the third party to stop providing you the goods and services.

10. Credit Card Acceptance

- 10.1 Financial institutions and merchants displaying the Visa symbol will normally honour your credit card. However, credit card promotional material displayed on any premises cannot be taken as a warranty by the financial institution, merchant or any person carrying on business there that all goods and services available at those premises may be purchased with the credit card.
- 10.2 The price the merchant charges for goods and services purchased using the card may vary from the price a merchant charges for the same goods and services purchased with cash.
- 10.3 Unless required to do so by law, we do not accept any liability for:
 - (a) any financial institution or merchant displaying a Visa symbol who refuses to accept or honour a card, does not allow cash advances or imposes limits or conditions on use of a card; or
 - (b) goods and services purchased with a card.
- 10.4 Any complaints about goods and services purchased with a card must be resolved directly with the merchant concerned.

11. Balance Transfer

- 11.1 You may request us to transfer to the account the outstanding balance of a credit or charge account held by a cardholder or any other person with another credit provider, provided that:
 - (a) a balance transfer will only be permitted up to the available credit amount;
 - (b) the balance transfer amount is \$500 or greater than \$500;
 - (c) the account is not delinquent; and
 - (d) a balance transfer may be refused by us at our discretion.

12. Interest Rates

The annual percentage rate that applies to the account is stated in the Financial Table. The "daily percentage rate" is calculated by dividing the annual percentage rate by 365. If a change is made to the annual percentage rate, you

will be notified in accordance with clause 24.2.

13. Interest

In this clause, Due Date means the date set out in your statement of account as the date the minimum monthly payment is due.

13.1 Interest-free Purchases

We do not charge interest on a purchase listed in your statement of account to the extent that:

- (a) you make a payment in respect of that statement of account by the Due Date; and
- (b) no part of that payment is applied by us, in accordance with clause 18, to an amount owing on a previous statement of account.

Otherwise, interest will be payable in accordance with clause 13.3 on each purchase listed in your statement of account from the date following your minimum payment due date until the date it is paid in full.

13.2 Cash Advances

There is no interest-free period for cash advances. Cash advances incur interest in accordance with clause 13.3 from the date the transaction is posted to your account until the date the transaction is paid in full.

13.3 Calculation of Interest

Subject to clause 13.1, interest is calculated daily by applying the daily percentage rate to the unpaid daily balance of the account and is debited to the account on the last day of the statement period.

13.4 Interest on Deposits

We will not pay you interest on any credit balance on the account.

14. Fees and Charges

14.1 You must pay us the fees and charges in the amounts and at the times set out in the Financial Table, as required by these conditions or as notified under clause 24. We may debit them to the account and they will appear in your statement of account.

14.2 You must pay us an amount equal to any government tax, duty or charge imposed by law in any country in respect of the card, the account or contract, the use of the card or any transaction in relation to the account, including duty on credit card transactions (Queensland and Tasmania) and duty on credit business (Queensland). You must pay such amounts whether or not you are primarily liable for the tax, duty or charge under the relevant law.

14.3 You must pay the "Annual Fee" referred to in the Financial Table (as varied from time to time). The Annual Fee will be debited to the account upon acceptance of the contract and then annually in advance until the credit card account is closed and is paid in full (except where the Financial Table otherwise provides). No refund of the fee, or any part of it, is payable when the credit card account is closed.

14.4 Any fee or charge in foreign currency will be converted into Australian dollars in accordance with clause 15.1.

14.5 All fees and charges debited to the account will be payable by you in accordance with clause 17.

15. Using the Card Outside Australia

15.1 All transactions made overseas on the VISA card will be converted into Australian currency by VISA International and calculated at a wholesale market rate selected by VISA from within a range of wholesale rates or the government mandated rate that is in effect one day prior to the Central Processing Date (that is, the date on which VISA processes the transaction).

15.2 All transactions made overseas on a VISA card are subject to a conversion fee equal to CUSCAL's, the principal member of VISA International under which we can provide you with the card. The amount of this conversion fee is subject to change from time to time and we will

advise you in advance of any such change.

- 15.3 Some overseas merchants and automatic teller machines charge a surcharge for making an EFT transaction. Once you have confirmed the transaction you will not be able to dispute the surcharge. The surcharge may appear on your statement as part of the purchase price.
- 15.4 Before travelling overseas, you or an additional cardholder should consult us to obtain VISA INTERNATIONAL CARD HOTLINE telephone numbers for the country of destination.
- 15.5 A cardholder must comply with all applicable exchange control and tax laws governing the use of the card and you indemnify us against liability, loss, fees, charges or costs arising as a consequence of a failure to comply with them.

16. Statements

- 16.1 We will send you a statement of account each month where there is any financial activity or a balance outstanding on the account. In all cases we will send you a statement of account at least every 6 months and you may request more frequent statements.
- 16.2 Each debit and credit to the account takes effect on the date we assign to it which may not be the date on which it is processed and we may adjust any debit or credit at any time to reflect your and our obligations and the terms of this contract.
- 16.3 You should check each statement of account and tell us of any entry in the statement which you dispute.
- 16.4 You may request a copy of any statement of account at any time subject to any fee referred to in the Financial Table.

17. Payments

- 17.1 You must pay us **immediately** upon receipt of the statement of account:
 - (a) the amount (if any) by which the closing balance exceeds the credit limit; and
 - (b) the amount (if any) of any minimum monthly payment which remains unpaid from a previous statement of account (shown as "overdue amount" in the statement of account).
- 17.2 You must also pay us by the statement "Due Date" the amount of a minimum monthly payment (if any) for the month in respect of which the statement of account is issued. The minimum monthly payment for that month will be greater of 3% (rounded up to the nearest dollar) of the closing balance or \$25, or if that closing balance is \$26 or less, that closing balance.
- 17.3 The statement of account will include all amounts owing under clause 17.1 and 17.2 in the "Monthly Payment" amount on the statement.
- 17.4 You may pay us as much as you wish towards the closing balance of the statement of account in addition to the amounts referred to in clauses 17.1 and 17.2. Subject to clause 13, if the closing balance is paid in full, you may be entitled to an interest-free period in respect of certain transactions.
- 17.5 A payment of the account can only be made in Australia and in Australian dollars.
- 17.6 If you will be overseas when a payment is due, it will be necessary to arrange for payments to be made to the account in Australia in your absence.
- 17.7 For the purpose of this clause 17, a reversal or refund of charges to the account is not a payment to the account.
- 17.8 A payment will not be treated as made until the date we credit the payment to the account in the ordinary course of business. If paying by mail, you should allow adequate time for the payment to reach us before the statement due date. (The proceeds of any payment made; by cheque or other instrument will not be available to increase the available credit amount until honoured.)
- 17.9 If the statement "Due Date" is not a business day, the payment must be made on or by the last business day immediately before the statement "Due Date".
- 17.10 If your cheque or other payment instrument is not honoured in full when first presented, the payment will not constitute a valid payment and you will be charged the payment dishonour fee

referred to in the Financial Table.

18. Application of Payments

We will apply payments we credit to the account first to amounts owing on a previous statement of account, then to amounts shown on a current statement of account and then to amounts debited but which have not yet appeared in a statement of account, in each case in the following order:

- (a) cash advances
- (b) government duties or charges;
- (c) fees and charges;
- (d) interest charges; and
- (e) purchases.

19. Default

19.1 You will be in default under this contract if you:

- (a) fail to pay us any amount when it is due;
- (b) exceed the credit limit;
- (c) fail to comply with any of your other obligations under the contract; or
- (d) give us incorrect or misleading information in connection with this contract.

19.2 If you default we may (subject to clause 19.3):

- (a) cancel all cards;
- (b) require you to pay us on demand the outstanding balance of the account (including amounts which you become liable to pay under the contract and which are yet to be debited to the account);
- (c) exercise any other rights that the law gives us; and
- (d) require you to pay us on demand all enforcement expenses we reasonably incur in the exercise of our rights against you, including legal fees.

19.3 Our right to take action against you under clause 19.2 may be subject to a requirement of the Credit Code that we first give a notice requiring you to remedy the default. If so, you will be deemed to have failed to remedy the default specified in the notice if, at the end of the time allowed by that notice, you have remedied that default but have committed another of the same type.

19.4 If an obligation to pay us an amount under the contract becomes merged in a court order or judgement, you must pay us interest on that amount daily until paid at the rate of interest applying to our Visa Credit Cards at that time.

20. Cancellation of the Card by Us

20.1 We reserve the right to close the account at any time.

- (a) We may close the account without prior notice if:
 - (i) we believe that use of a card or the account may cause loss to you or to us (for example, if you are in default under the contract or under the Conditions of Use applicable to another credit facility provided by us to you);
 - (ii) the account is inactive; or
 - (iii) the credit limit has been exceeded. (Note that we may elect not to close the account for this reason but the fact that we have elected not to do so on one or more previous occasions does not stop us from closing it whenever the credit limit has been exceeded.)
- (b) We may also close the account upon giving you not less than three months written

notice.

- 20.2 If the account is closed, all cards issued in relation to the account will be cancelled.
- 20.3 We will not cancel any individual card without good reason but we may cancel a card at any time without prior notice if we believe that use of the card may cause loss to you or us.

21. Cancellation of the Card by You

- 21.1 You may close the account at any time by making a written request to us. If the account is closed, all credit cards issued in relation to the account will be cancelled.
- 21.2 You may request us in writing, in accordance with clause 4.5, to cancel the card of an additional cardholder.
- 21.3 Written requests should be mailed to the postal address of BDCU Alliance Bank as set out in your statement of account.

22. When a Card is Cancelled or the Account is Closed

- 22.1 When we cancel a card, including when you request it:
 - (a) the card must not be used; and
 - (b) the card must be returned to us (cut diagonally in half) or you must satisfy us that it has been destroyed.
- 22.2 If the account is closed, including when you request it:
 - (a) all cards must not be used;
 - (b) all cards must be returned to us (cut diagonally in half) or you must satisfy us that they have been destroyed.
 - (c) you must pay the minimum monthly payment each month if an outstanding balance remains;
 - (d) your obligations under the contract will continue until you pay us the total amount you owe us (including amounts which you become liable to pay under the contract and which are not yet debited to the account); and
 - (c) you should cancel all periodic debit authorities which apply to the account.
- 22.3 If the account has a credit balance when it is closed, we will send you a cheque for that balance (unless those funds have been remitted as unclaimed money in accordance with the law) or deposit the funds into any of your accounts with us.

23. Change of Address

You must tell us promptly if you change your address by contacting your credit provider.

24. Changes to the Contract

- 24.1 We may change the contract at any time without your consent including:

A credit reporting body uses information it holds to screen out individuals who do not meet criteria set by the credit provider. From 12 March 2014, credit reporting bodies must maintain a confidential list of individuals who have opted out of their information being used in pre-screening. From 12 March 2014, to opt-out of credit pre-screening, contact the credit reporting body, using the contact details on their websites, referred to above. You can also ask a credit reporting body not to use or disclose your personal information for a period if you believe on reasonable grounds that you have been or are likely to be a victim of fraud, including identity fraud.

32. Card Security Guidelines

32.1 The security of your credit card is very important. The following guidelines provide examples of security measures and will not determine your liability for any losses resulting from unauthorised EFT transactions. Liability for such transactions will be determined in accordance with the Code.

32.2 Guidelines for ensuring the security of the card and PIN:

- (a) sign the back of the card immediately upon receipt;
- (b) destroy the card on the expiry date by cutting it diagonally in half;
- (c) do not let anyone else use the card;
- (d) take reasonable steps to protect the card and PIN from loss, theft or unauthorised use;
- (e) notify us in accordance with clause 3.7 immediately you become aware that a card has been lost or stolen, or a card, PIN or card details have been used by someone else without your authority;
- (f) do not tell or show the PIN to another person or allow it to be seen by another person, including family and friends;
- (g) if you change the PIN, do not select a PIN which represents your birth date or a

recognisable part of your name. If you do use an obvious PIN such as a name or date you may be liable for any losses which occur as a result of unauthorised use of the PIN before notification to us that the PIN has been misused or has become known to someone else;

- (h) do not record the PIN on the card or keep a record of the PIN on anything which is kept with or near the card unless reasonable steps have been taken to carefully disguise the PIN or to prevent unauthorised access to that record.

Information Statement

(The Credit Code requires us to give you this statement. References in it to "the credit provider" are a reference to us.)

Things you should know about your proposed credit contract

This statement tells you about some of the rights and obligations of yourself and your credit provider. It does not state the terms and conditions of your contract.

If you have any concerns about your contract, contact the credit provider and, if you still have concerns, your credit provider's external dispute resolution scheme, or get legal advice.

THE CONTRACT

1. How can I get details of my proposed credit contract?

Your credit provider must give you a pre-contractual statement containing certain information about your contract. The pre-contractual statement, and this document, must be given to you before—

- your contract is entered into; or
- you make an offer to enter into the contract;

whichever happens first.

2. How can I get a copy of the final contract?

If you want another copy of your contract, write to your credit provider and ask for one. Your credit provider may charge you a fee. Your credit provider has to give you a copy—

- within 14 days of your written request if the original contract came into existence 1 year or less before your request; or
- otherwise within 30 days of your written request.

3. Can I terminate the contract?

Yes. You can terminate the contract by writing to the credit provider so long as—

- you have not obtained any credit under the contract; or
- a card or other means of obtaining credit given to you by your credit provider has not been used to acquire goods or services for which credit is to be provided under the contract.

However, you will still have to pay any fees or charges incurred before you terminated the contract.

4. Can I pay my credit contract out early?

Yes. Pay your credit provider the amount required to pay out your credit contract on the day you wish to end your contract.

5. How can I find out the payout figure?

You can write to your credit provider at any time and ask for a statement of the payout figure as at any date you specify. You can also ask for details of how the amount is made up. Your credit provider must give you the statement within 7 days after you give your request to the credit provider. You may be charged a fee for the statement.

6. Will I pay less interest if I pay out my contract early?

Yes. The interest you can be charged depends on the actual time money is owing. However, you may have to pay an early termination charge (if your contract permits your credit provider to charge one) and other fees.

7. Can my contract be changed by my credit provider?

Yes, but only if your contract says so.

8. Will I be told in advance if my credit provider is going to make a change in the contract?

That depends on the type of change. For example—

you get at least same day notice for a change to an annual percentage rate. That notice may be a written notice to you or a notice published in a newspaper.

you get 20 days advance written notice for—

- a change in the way in which interest is calculated; or
- a change in credit fees and charges; or
- any other changes by your credit provider;

except where the change reduces what you have to pay or the change happens automatically under the contract.

9. Is there anything I can do if I think that my contract is unjust?

Yes. You should first talk to your credit provider. Discuss the matter and see if you can come to some arrangement.

If that is not successful, you may contact your credit provider's external dispute resolution scheme. External dispute resolution is a free service established to provide you with an independent mechanism to resolve specific complaints. Your credit provider's external dispute resolution provider is the Australian Financial Complaints Authority and can be contacted at:

Online: www.afca.org.au
Phone: 1800 931 678
Email: info@afca.org.au
Postal Address: GPO Box 3 Melbourne VIC 3001

Alternatively, you can go to court. You may wish to get legal advice, for example from your community legal centre or Legal Aid.

You can also contact ASIC, the regulator, for information on 1300 300 630.

Insurance

10. Do I have to take out insurance?

Your credit provider can insist you take out or pay the cost of types of insurance specifically allowed by law. These are compulsory third party personal injury insurance, mortgage indemnity insurance or insurance over property covered by any mortgage. Otherwise, you can decide if you want to take out insurance or not. If you take out insurance, the credit provider cannot insist that you use any particular insurance company.

11. Will I get details of my insurance cover?

Yes, if you have taken out insurance over mortgaged property or consumer credit insurance and the premium is financed by your credit provider. In that case the insurer must give you a copy of the policy within 14 days after the insurer has accepted the insurance proposal.

Also, if you acquire an interest in any such insurance policy which is taken out by your credit provider then, within 14 days of that happening, your credit provider must ensure you have a written notice of the particulars of that insurance.

You can always ask the insurer for details of your insurance contract. If you ask in writing, your insurer must give you a statement containing all the provisions of the contract.

12. If the insurer does not accept my proposal, will I be told?

Yes, if the insurance was to be financed by the credit contract. The insurer will inform you if the proposal is rejected.

13. In that case, what happens to the premiums?

Your credit provider must give you a refund or credit unless the insurance is to be arranged with another insurer.

14. What happens if my credit contract ends before any insurance contract over mortgaged property?

You can end the insurance contract and get a proportionate rebate of any premium from the insurer.

General

15. What do I do if I cannot make a repayment?

Get in touch with your credit provider immediately. Discuss the matter and see if you can come to some arrangement. You can ask your credit provider to change your contract in a number of ways—

- to extend the term of your contract and reduce payments; or
- to extend the term of your contract and delay payments for a set time; or
- to delay payments for a set time

16. What if my credit provider and I cannot agree on a suitable arrangement?

If the credit provider refuses your request you can complain to the external dispute resolution scheme your credit provider belongs to. Further details about this scheme are set out below in section 18.

17. Can my credit provider take action against me?

Yes, if you are in default under your contract. But the law says that you can not be unduly harassed or threatened for repayments. If you think you are being unduly harassed or threatened, contact the credit provider's external dispute resolution scheme or ASIC, or get legal advice.

18. Do I have any other rights and obligations?

Yes. The law will give you other rights and obligations. You should also READ YOUR CONTRACT carefully.

IF YOU HAVE ANY COMPLAINTS ABOUT YOUR CREDIT CONTRACT, OR WANT MORE INFORMATION, CONTACT YOUR CREDIT PROVIDER. YOU MUST ATTEMPT TO RESOLVE YOUR COMPLAINT WITH YOUR CREDIT PROVIDER BEFORE CONTACTING YOUR CREDIT PROVIDER'S EXTERNAL DISPUTE RESOLUTION SCHEME.
